SUNDAY PROGRAM

Our curriculum is designed to help families engage with their kids and to live out biblical principles. Kids will learn about God, encounter Jesus and be empowered by the Holy Spirit

SAFETY OUR PRIORITY

Safety is by far our biggest priority apart from spiritual development. We are committed to creating a safe & conducive environment for your kids.

What To Expect From Us

"Train up a child in the way he should go, And when he is old he will not depart from it".
Proverbs 22:6

Accountability

ICC is part of a movement of churches known as the Australian Christian Churches (ACC). The ACC has a Volunteer Church Workers Code of Conduct, which every volunteer must adhere to.

Background Check

All ICC Kids paid employees, leaders, team members, and volunteers are carefully processed and are committed to adhering to the safety requirements enforced by ICC.

Kids Influencers

- Our Kids Influencers are a multicultural and multi-generational group that possess a wide range of skills depending on the roles and responsibilities they undertake.
- They are loyal, energetic, attractive, encouraging, spirit led and committed to grow and improve.

Requirements

All our Influencers go through a strict vetting process both internal and external. Some of the processes are as below:

- QLD Blue Card check
- Initial sign-up process
- Reference verification
- I on I Interview with kids leader
- Final approval by Church Leader
- Completed ACC Safer Churches Training

Behaviour Management

Ask our team leaders about our behavior management process.

If you require any special needs for your child, we have a program especially for them.

Nut Free Policy

All our programs and rooms are nut free. We appreciate that nuts or nut related products are not packed in children's lunch boxes.

Snacks & Food

Kids are encouraged to bring their own morning tea and their drink bottle during the program. For new kids we provide nut free crackers.

Parent Cue App

Parent Cue is an app where you are able to access what your kids learn every Sunday. On top of that there's tones of resources to help you on your parenting journey.

WHAT WE EXPECT FROM YOU

You shall teach them to your children, speaking of them when you sit in your house, when you walk by the way, when you lie down, and when you rise up.
Deuteronomy 11:19

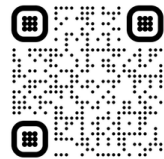

ARRIVE EARLY

Be early and grab a coffee after checking your kids in, and pick them up promptly after service. Only adults are allowed to check-in and check-out kids.

CHURCH CENTER APP

Download the church center app to help with faster check-in. You can check-in from home or on the way into church and fast track your kids into their classes. It helps you and it helps us.

FAMILY ENGAGEMENT

We want parents to engage with their child during the week on what they learned at ICC Kids and encourage you to build a family altar, devotion, prayer, and worship in your home. We also encourage parents, especially dads to get involved in ICC Kids.

DISCIPLESHIP

Parents have the primary responsibility for their child's spiritual development. We want to partner with you to facilitate that. We love to chat. Come and talk to us on how we can partner with you.

GET CONNECTED

Get connected to a connect group and go through our next steps.

COMMUNITY

Connect with us on our Facebook parents page. It's not only a platform for information about ICC Kids, but also a place where parents can support each other and build a community.
